

Fox River Radio League Announcement

Illinois QSO Party October 20, 2024

The Illinois QSO Party is an annual event sponsored by:
The Western Illinois Amateur Radio Club (WIARC)

“The ILQP takes place each October and involves amateur operators in all Illinois counties as well as operators from across the USA and in many foreign countries. The QSO party provides Illinois operators the opportunity to be the ‘rare ones’ while providing stations outside of Illinois the opportunity to log many of the rarer Illinois counties. Illinois stations may operate as Fixed, Portable, Mobile or Rover stations. High and Low power classes are provided for both Illinois Fixed and Non-Illinois stations and QRP competition is also provided.” - <https://w9awe.org/ilqp/>
